Dear Sir:

The Ford Motor Company and the Lear Corporation (hereinafter Ford and Lear), represent that they are the owners of the full (100%) and exclusive rights, title, and interest in the above-identified patent application Serial No. 10/604,376, filed July 15, 2003, for an "ACTIVE NIGHT VISION THERMAL CONTROL SYSTEM", as evidenced by the records of the United States Patent Office. Ford is a corporation organized and existing by virtue of the laws of the State of Delaware, and has its principal place of business in Dearborn, County of Wayne, and State of Michigan. Lear is a corporation organized and existing by the virtue of the laws of the State of Delaware, has its principal place of business at 21557 Telegraph Road, in Southfield, County of Oakland, and State of Michigan 48034.

U.S.S.N. 10/604,376

2

81044495 (FLD 0106 PA)

Ford and Lear hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154, 156, and 173, as presently shortened by any terminal disclaimer, of a patent granted on co-pending Application No. 10/250,062. Ford and Lear hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and a patent granted on the co-pending application are commonly owned. This agreement runs with any patent granted on the application and is binding upon the grantees, and their successors or assigns.

In making the above disclaimer, Ford and Lear do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154, 156, and 173 of a patent granted on the co-pending application, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is an attorney of record.

U.S.S.N. 10/604,376
